Verification of LCA tool: **One Click LCA**

Dear Panu,

I am pleased to confirm that BRE Global have verified the maximum potential Mat 01 calculator score for the below schemes for **One Click LCA** as **100%**. This gives the potential for assessments to achieve the maximum credits available and an innovation credit:

- BREEAM International New Construction 2013 (SD5075)
- BREEAM UK Refurbishment and Fit-Out 2014 (SD216)
- BREEAM International Refurbishment and Fit-Out 2015 (SD225)
- BREEAM ES New Construction 2014 (SD5075 ES)
- BREEAM International New Construction 2016 (SD233)
- BREEAM NOR New Construction 2016 (SD5075 NOR)

The Mat 01 calculators for the above schemes have been updated to include the maximum potential verified score for **One Click LCA** as confirmed above.

The software can be used by projects anywhere in the world pursuing one of the above mentioned BREEAM schemes.

Please note this confirmation should not be considered as an endorsement of the tool by BRE Global. This should be made clear in any publicity/publicly available information by Bionova Ltd.

Kind Regards,

Alan Yates  
Technical Director
