LCA tool approval for BREEAM Europe Commercial 2009 and BREEAM International Bespoke 2010 schemes: Bionova 360optimi

I am pleased to confirm that BRE Global have approved Bionova's 360optimi as a '*Compliant LCA tool*' compliant with the requirements given within issue Mat 1 (Option 2). This has been approved for use with BREEAM Europe Commercial 2009 (SD5066A) and BREEAM International Bespoke 2010 (SD5069).

Please do not hesitate to contact us if you have any questions.

With kind regards,

Alan Yates
