Verification of Compliancy – One Click LCA

I am pleased to confirm that Green Building Council Denmark accept LCA calculations performed with the LCA software tool 'One Click LCA' for DGNB certifications.

The Danish Building Research Institute (SBI) has on behalf of DK-GBC audited and verified One Click LCA to be compliant with DGNB Denmark criteria ENV1.1 and ENV2.1 LCA calculations for the following schemes:

- DGNB Kontorbygninger 2014 (NKB14)
- DGNB Kontorbygninger 2016 (NKB16)
- DGNB Etageejendomme og Rækkehuse 2014 (NER14)
- DGNB Etageejendomme og Rækkehuse 2016 (NER16)
- DGNB Undervisnings- og Børneinstitutioner pilotversion (NUBPilot)
- DGNB Undervisnings- og Børneinstitutioner 2016 (NUB16)
- DGNB FLEX16 – Project specific adaptations version 2016.

Kind Regards

Lau Raffnsøe

Technical Director
